Sir -

STAT

1. You are invited to observe AFSAC's second annual Interrogation and Deployment Exercise (INDEX 88) at USMC Base Quantico on 19 April 1988. We will initially meet for a No-Host lunch at the Quantico Officers' Club at 1200. At about 1300 we'll leave the club and proceed to the exercise site. BDUs are the recommended uniform as the site may be muddy; however, overshoes will be provided if needed.

2. This exercise will improve our wartime readiness and will provide our HUMINT Augmentation Team (HAT) personnel with valuable interrogation and HAT operations practice, and will be conducted 13-21 April 1988.

3. Your attendance at this exercise would be beneficial to all and I sincerely hope your schedule will permit you to attend. Please RSVP to Ms Cheetham with name and SSAN at (703) 664-6341 by 23 Mar 88.

W/R J. Doxey

JOHN W. DOXEY, Colonel, USAF
Commander

We'd be very pleased to have you attend sir. It would be a wonderful morale boost for our kids who have put a great deal of work into this exercise.

For the General's convenience, there will be a helicopter lift which will leave from the Pentagon at 1115 and arrive at USMC Base Quantico at 1140. We will meet the General there and escort him to the Officers' Club for lunch. The helicopter will tentatively leave Quantico at 1500 to return to the Pentagon.
